

# Cozy Carry Cot

Carry Your Baby With Comfort

Instruction Manual

[www.rforrabbit.com](http://www.rforrabbit.com)

## **SAFETY:**

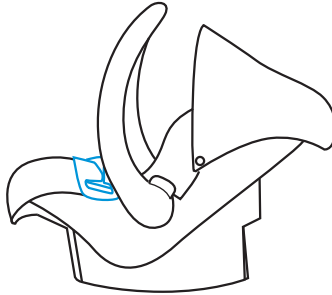

1. Never leave your baby unattended in carry cot on any surface.
2. Never allow the strap end to come in between any moving elements like elevators, automatic doors, escalators etc.
3. Do not use carry cot without fastening the safety harness correctly.
4. The carry cot must not be used without cover. And the seat cover should not be replaced with any other than the one recommended by the manufacturer.
5. Ensure that all parts are locked in place correctly.
6. The age group for this carry cot is up to 15months and weight capacity is up to 13kgs.

## **MAINTENANCE:**

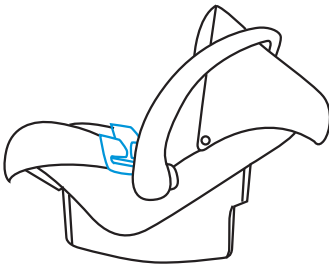

1. The seat cover can be removed for washing. Remove the harness and loose shoulder straps to release buckles, and then remove the cover to wash in warm water.
2. Do not use chemical cleansers, bleach or corrosives to wash any part of carry cot.

## MODES OF CARRY COT:

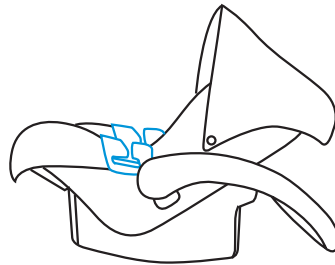

1. You can change the modes of Carry Cot into 3 positions by pressing both buttons on side handle in backward or forward side to get it at your desired position.

(1) As a Carry Cot

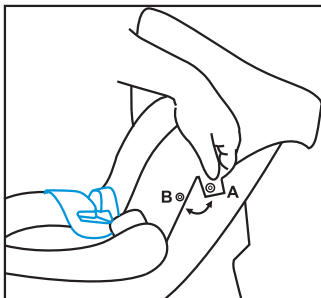

(2) As a Rocker

(3) As a Feeding Chair

## FITTING THE CANOPY:

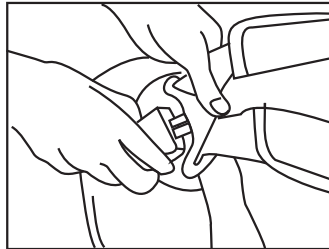

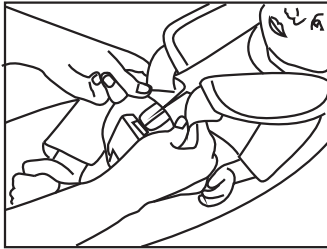

1. Join the edge of canopy buckle to the other buckle given at cot on both the sides.

## SECURING YOUR BABY USING THE HARNESS:

1. Loosen the shoulder straps. Put your baby into carrycot and place straps on their shoulder.
2. Put two buckles together and engage in the harness buckle in click voice.
3. Tighten the strap until they are in contact with your baby's body.
4. To remove your baby safely from carry cot, kindly press side red button of harness to release the five point harness and put the same on other side.
