

Safety Instructions

- Ensure the bath stand is properly assembled and locked before each use.
- Use only on a flat, stable and non-slippery surface.
- Check that all anti-slip pads are securely fitted.
- Always keep the child within reach and under adult supervision.
- Never leave a child unattended during bathing.
- Do not use if any part is damaged, loose or missing.
- This product is a bathing support aid and not a safety restraint device.

Care & Maintenance

- Clean regularly with a soft damp cloth.
- Avoid harsh chemicals or abrasive cleaners.
- Store in a dry place after use.

Up to 20 kg

Components

Installation Steps

Step 1:

Attach the side cover caps securely to the main base

Step 2:

Fix the front cover cap onto the front side of the main base

Step 3:

Insert the anti-slip pads into the designated positions on the main base.

Step 4:

Attach the shower rack panel to the front section of the main base.

Step 5:

Place the upper panel securely on top of the lower shower rack panel.

**Step 6:**

Install the adjustable handrail onto the upper panel

**Step 7:**

Your Fun Time Aqua Hug bath stand is ready for use.

**Handrail Adjustment Instruction****To Open or Widen the Handrail Support:**

Press the adjustment button and gently move both handrails outward.

**To Close or Tighten the Handrail Support:**

Press both handrails inward toward each other until the desired position is reached.

**Height Adjustment Instructions**

Press the adjustment button located below the shower rack. Lift upward or push downward to your preferred height.
