1. Right Side Panel X1 no.
2. Left Side Panel X1 no.
3. Front Panel X1 no.
4. Rear Panel X1 no.
5. Base X1 no.

6. Seat X1 no.
7. Push Handle X1 no.
8. heels X2 no.
9. Screw X14 no.
10. Screw Tightener X1 no.

Installation Steps

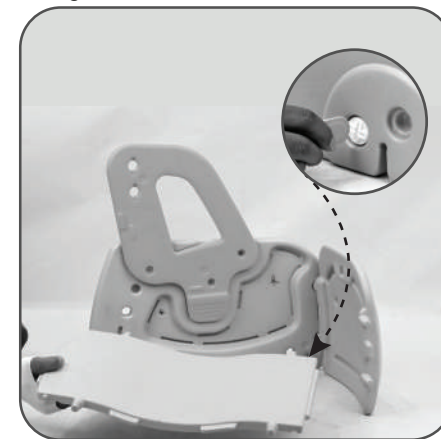

Step 1:

Align the front panel with the right side panel using the screws.

Step 2:

Place the kart base at the bottom of the assembled panels and secure them using screws.

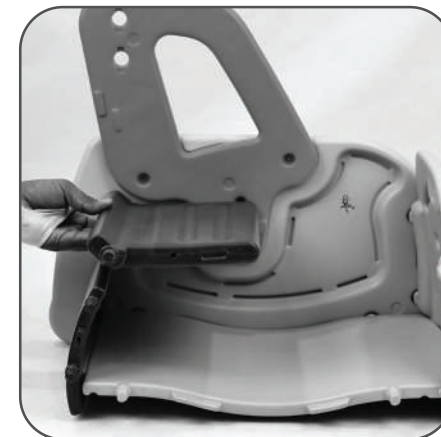

Step 3:

Attach the rear panel to the right side panel using screws.

Step 4:

Place the seat panel onto the rear panel, attached to the right side panel.

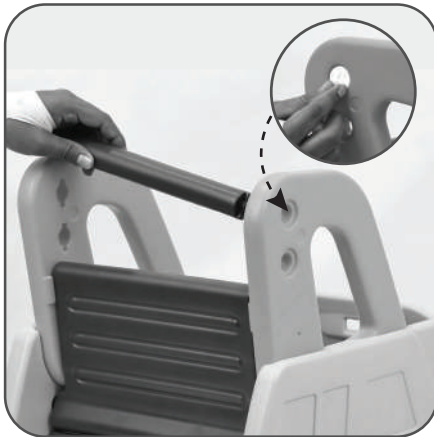

Step 5:

Align the left side panel with the front panel, base, rear panel, and seat.

**Step 6:**

Attach the push handle to the side panels at the desired height.

**Step 7:**

Secure the front panel, base, rear panel, push handle and seat to the left panel using screws.

**Step 8:**

Fix the wheels to the kart base. Ensure they are secure and rotate freely.

**Step 9:**

Your R for Rabbit's Kiddie Kart is now ready to use.
