

⚠ WARNING!

1. Do not place any load on the Walker, otherwise it will affect the stability of the same.
2. Read the manual carefully before use, and please keep it safe for future reference.
3. The guardian shall not leave when the child is riding.
4. This car is not suitable for infants who can't sit or walk by themselves.
5. Keep the Walker from fire.
6. Make sure all locking devices are locked before using the Walker.
7. It is forbidden to use the vehicle near stairs, thresholds and steps. The Walker must be used in a flat and barrier free place to ensure that the vehicle does not tip over during normal use.
8. Ensure that the baby's feet touch the ground. When carrying the Walker, the baby shall not be placed in the walker.
9. Infants are not allowed to play near heaters, stoves, etc.
10. The limit time for the baby to ride in the car each time shall not exceed 30 minutes.
11. It is forbidden to use accessories provided by non manufacturers.
12. This product is applicable to the age range 6 months to 18 months, and the maximum bearing weight is 15kg.

Maintenance

Please check and maintain the walker frequently.

- Before each use, check whether all fasteners are fastened well.
- For the walker with folding function, check whether its folding device is reliable.
- Avoid long-term use or storage in humid, cold or high-temperature environment.
- Avoid overloading the Walker.
- In order to ensure the baby's health, please clean the walker regularly. The smooth part of the Walker can be wiped with wet wipe, cushion and toy parts on the car can be brushed with a small brush.

LITTLE FEET WALKER

2 In 1 Walker Cum Push Walker

Installation & User Manual

IMPORTANT - KEEP THESE INSTRUCTIONS FOR FUTURE REFERENCE.
FAILURE TO OBSERVE THESE INSTRUCTIONS MAY AFFECT THE SAFETY OF YOUR CHILD!

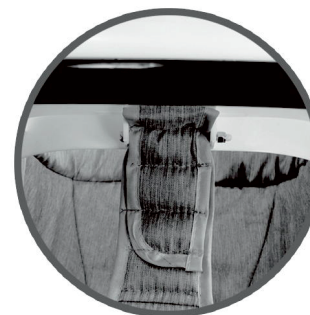

PART

1. Insert and clamp the clips on both sides respectively. (press and hold the buckle to adjust the height up and down)

2. Insert the rear side panel into the corresponding snap for fixing.

3. The size of the cloth pocket can be adjusted at the front of it, which can be adjusted according to the child's weight and height.
4. Fix the front side of the cloth pocket on the car with screw parts

5. Clip the small snap on the cloth pocket into the corresponding snap.

6. Install toys:-
Insert the bottom of the toy into the corresponding hole of the music board and hear a 'click'.
7. Installing music board:-
Fix the two suction cups at the bottom of the music board to the corresponding position of the dinner plate.

Precautions for use of toy tray:

- When installing the battery, loosen the battery cover first, and then install the battery according to the polarity. It is best to lock the battery cover.
- Non rechargeable batteries cannot be used for charging. Rechargeable batteries should be charged under adult supervision.
- Batteries of different models or different degrees of old and new cannot be used together.
- Please put the battery in the correct polarity.
- The battery without power should be removed from the toy as soon as possible.
- Make sure that there is no short circuit at the end of the power cord.
