## Installation & User Manual

Read the instructions carefully before using the stroller and keep this manual for future reference.

Note: The safety your child and product can be compromised if the instructions stated in manual aren't thoroughly followed.

# Installation Instructions

## Part List

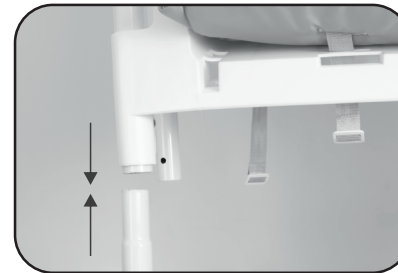

1. Seat
2. Double Tray
3. Front leg set with stopper
4. Rear leg set with wheel
5. Leg rest
6. Foot rest

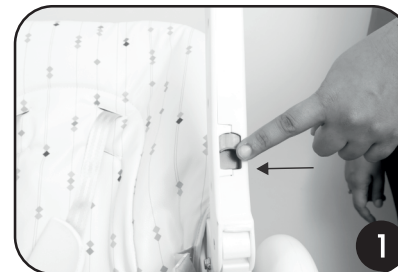

# Assembling Instructions

1. Insert the steel pipes into the plastic foot.

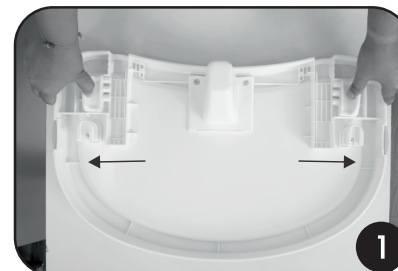

Note: Install leg with stopper in front side and install leg with wheels in rear side

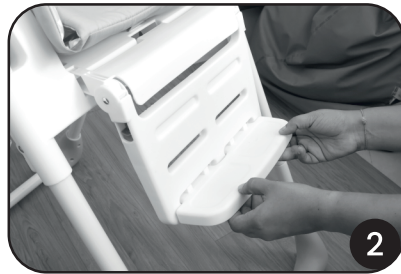

2. Unfold the seat and pull handle upwards by pressing the 2 buttons given below them (Refer Fig 1 & 2)

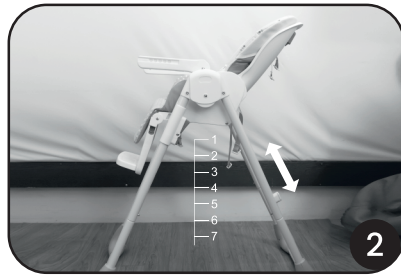

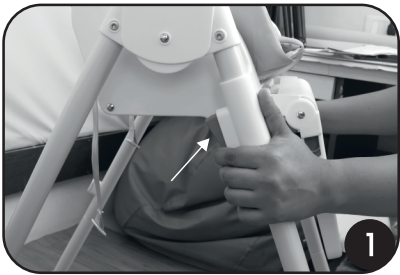

3. Now take the tray and insert it with 2 hands on the 2 open side handles (Refer below Fig 1 & 2)

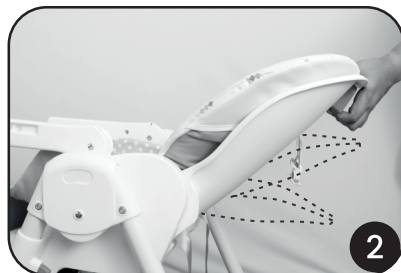

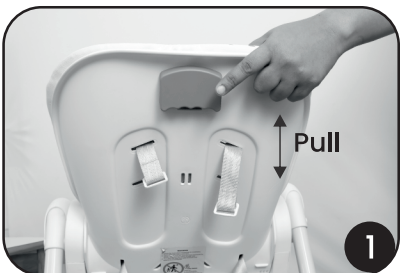

4. Insert the Leg Rest on the high chair body below the seating area  
(Refer Below Fig 1 & 2)

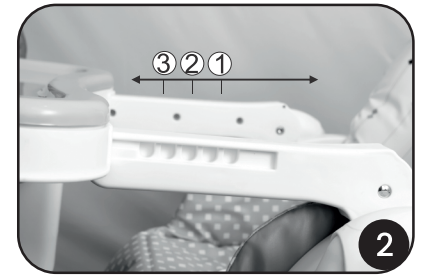

5. Adjust the height of the seat by pressing the buttons on the front leg area and sliding it up and down as per baby's comfortable height (Refer Below Fig 1 & 2)

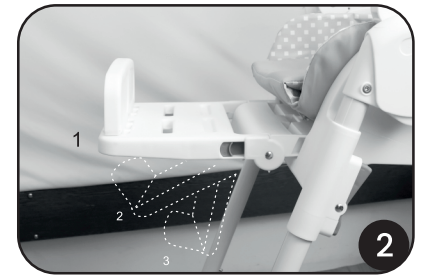

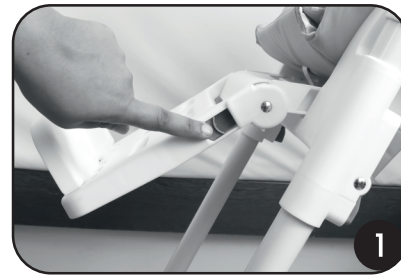

6. To adjust the back rest, pull up the red button behind the back rest  
(Refer Below Fig 1 & 2)

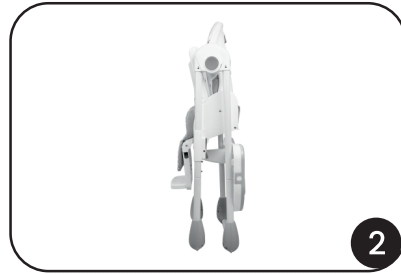

7. You can adjust the position of Meal Tray upto 3 positions as shown in the Fig (2) and you can remove tray cover for easy washing ( Fig 1)

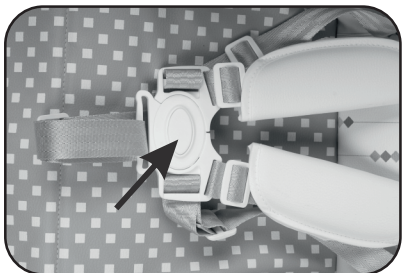

8. Press the button on the leg rest and adjust as per the child's comfort  
(Refer Below Fig 1 & 2)

9. Press the white button on both the sides (Fig 1) then slightly pick up the chair with your leg and push it forward to fold it (Fig 2) Then slide the seat down by pressing the buttons as you did it in 5th step (Refer Below Fig 1, 2, 3 & 4)

10. To use 5 Point Harness, press the center button on the jack and put the harness to lock in, press the button again to open the harness.

## Warning

1. Never leave the child unattended
2. Always use the 5-point harness while the child is in the high chair
3. Prevent your child from climbing the chair on his own.
4. Do not use the product unless all the parts are correctly and firmly fitted
5. Don't keep the product near fire or strong heat
6. Be aware of the tilting of High Chair as your child can push it against any surface
7. Assembly of high chair is to be done by adult
8. Do not use the product until the child can sit on his own
9. Do not use the product if any part is broken
10. Keep the child away during the folding and unfolding of the high chair
11. Make sure that the harness is correctly fitted
12. Always keep the high chair on an even surface and avoid to keep it on a slopy area
13. Do not allow the child to stand on the high chair
14. Regularly check all the parts to avoid injury or harm to your child
15. Keep this manual safe for future reference.

## Cleaning & Care

1. Clean all fabric with warm water and mild soap
2. Clean dirty spots with nonabrasive cream
3. Oil the moveable parts of the chair
