

## CARE AND MAINTENANCE

1. Fabric cover should be cleaned by brush with neutral detergent like soap.
2. Check the screws at regular intervals. If parts are damaged or appear broken, stop using immediately.
3. Please follow the operation instruction strictly while installation and uninstallation to avoid unnecessary damage of the stroller resulting in harm to your child.

## ! WARNING

1. The parent/guardian must read these instructions carefully before using the product and keep it for future reference for the safety of your child.
2. Never leave your child unattended in the stroller.
3. This product is suitable for the child aged 0-36 months only.
4. Do not fold the stroller when the child is in it.
5. Must use the front handrail when riding.
6. Do not leave the stroller on the ramp.
7. The maximum load carrying capacity of the basket is 2kgs.
8. Any load placed on the handle bars will affect the stability of the stroller.
9. Do not remove or adjust any parts of the stroller when the child is in it.
10. To avoid suffocation, keep any plastics covering or bags far away from your child.
