How To Wear?

Independent Hip Seat Mode:

Step 1:

Position the waist belt around your waist.

Step 2:

Insert the buckle until it clicks securely.

Step 3:

Unbuttons the snap buttons and unzip the hip seat.

Step 4:

Place your baby, either facing in or out, and support them by holding their back or chest.

Step 5:

Your independent hip seat carrier is ready to use.

Front Carrying (Facing In/Out Mode):

Step 1:

Wrap the belt around your waist and secure the buckle.

Step 2:

Place the right shoulder strap over your shoulder and attach it to the designated slot on the left side. Repeat for the left side.

Step 3:

Unlock the safety buckle from the shoulder straps.

Step 4:

Position your baby either facing in or out, ensuring each leg fits into the respective leg opening.

Step 5:

With one hand holding the baby, secure the safety buckle on the shoulder strap.

Step 6:

Fasten the safety buckle around each leg opening.

Step 7:

Your front-facing carrier is ready for use.

Backside Carrying (Facing In Mode):

Step 1:

Reverse the hip seat carrier. Wrap the belt around your waist and secure the buckle.

Step 2:

Place the right shoulder strap over your shoulder and attach it to the designated slot on the left. Repeat for the left side.

Step 3:

Have someone place the baby facing you, with each leg in the respective leg opening.

Step 4:

With one hand holding the baby, quickly secure the safety buckle on the shoulder strap.

Step 5:

Fasten the safety buckle around the baby's legs.

Step 6:

Your backside-facing carrier is ready for use.

Safety Warning

- To avoid falls or strangulation, always adjust the leg openings properly.
- Check the carrier regularly and discontinue use if there is any damage or wear and tear.
- Do not use the carrier if you experience back pain or physical discomfort.
- Avoid placing sharp objects in the carrier pockets.
- Never leave your child unattended in the carrier.

Tips for using the baby carrier

- This carrier is ergonomically designed for comfort during walking.
- Ensure all buckles and straps are properly adjusted before use.
- Your baby should face towards you until they can hold their head up independently in an upright position.
- Hold your baby securely until all buckles are fastened and straps are adjusted.
- Regularly check that the straps are not too tight and the baby is safe and secure.
