Installation Steps

Step 1:

Wrap the waist belt around your waist.

Step 2:

Fasten the waist buckle and adjust for a snug fit.

Step 3:

Place the carrier over your shoulders and spread the straps evenly for balanced support.

Step 4:

Gently place your baby in feet-first, supporting their back and neck.

Step 5:

Pull the support belt up to secure your baby's back and shoulders

**Step 6:**

Fasten the side support buckle.

**Step 7:**

Tighten side straps to keep your baby close and secure.

**Step 8:**

Confirm all buckles are locked, straps are even, and baby's face is clear and visible.

**Step 9:**

Your Solo Wrap Flexi is ready to use.

**Safety Warning**

- To avoid falls or strangulation, always adjust the leg openings properly.
- Use this carrier only when your baby can hold their head upright independently without support.
- Check the carrier regularly and discontinue use if there is any damage or wear and tear.
- Do not use the carrier if you experience back pain or physical discomfort.
- Use only for babies within the recommended weight range.

Tips for using the baby carrier

- Check that the straps are not too tight and the baby is safe and secure
- Always ensure all buckles and straps are securely fastened before use.
- Ensure baby's legs are properly positioned in the "M" position.
